About SNX

SNX (StartNetX) is an innovative startup ecosystem enabler focused on transforming Tamil Nadu's technological landscape. As a division of StartNet, we specialize in creating high-impact events and building comprehensive media platforms that bridge the gap between service companies and the AI-powered future.

Our Vision

To become Tamil Nadu's premier platform for SaaS ecosystem enablement and market access through networking, knowledge sharing, and business matchmaking.

Market Potential

Current IT Services	\$15B
Traditional SaaS	\$25B
AI-Powered SaaS 2.0	\$60B

Total Opportunity **\$100B by 2030**

Event Impact

2500+
Attendees

100+
Exhibitors

50+
Speakers

1000+
Companies

Tamil Nadu's Advantage

- 5,000+ IT service companies
- 2,000+ digital agencies
- Rich pool of domain experts
- Thriving AI/ML ecosystem

Focus Areas

- Service to Software Transformation
- AI Agent Development
- AI-First Product Strategy
- AI Ethics & Governance

Join us in shaping the future of software, where every service provider becomes a global SaaS innovator through the power of AI agents.
